

Clickwrap is everywhere...

Clicking "I agree" on our favorite websites, applications, and mobile devices is often a daily occurrence. Without a robust and reliable clickwrap solution, you run the risk of customer disputes, fines, and compliance woes that can hurt your reputation and bottom line.

To ensure that online agreements are presented clearly, legally valid, and enforceable, then finding the right clickwrap solution is critical. With Malbek Klix by your side, you can focus on what really matters — driving revenue without frustration or downstream implications. Don't let a poorly implemented solution put your business at risk.

Level up your clickwrap agreements

Automate high-volume, low-complexity agreements

Configure templates to meet your business needs. Do more with less and reduce time spent on manual effort for faster time to revenue.

Ensure compliance and mitigate litigation risk

Enforce online agreements from a single unified platform to streamline operations, improve collaboration, and ensure you won't have any unexpected legal disputes.

Configure in minutes; agree with one click

Strike a perfect balance — configure your terms quickly and present them in a clear, concise way that makes it easy for customers to accept with a single click for a hassle-free buying experience.

Features

- **SEARCHABLE, CENTRALIZED REPOSITORY:** Configure, store, and enforce clickwrap agreements in one location — find key details in a snap.
- **BUILT-IN GUIDES:** Set up clickwrap with built-in guardrails and best practices to ensure enforceability.
- **TEMPLATE CREATION WIZARD:** Simplify the drafting process with easy-to-build boilerplates and a drag-and-drop designer. Choose from a variety of designs, form options, and workflows.
- **ACCEPTANCE:** Capture and store proof of acceptance for agreements. Use dashboards for overall, web, and email metrics and maintain a full audit trail of signature history and details.
- **VERSIONING & SHARING:** Share via email, direct link, and embed directly on your website. Automatic versioning helps keep things up-to-date. Automatically notify designated recipients once signed.
- **LEGAL COLLECTIONS:** Organize and manage multiple clickwrap agreements together. Publish together using a single URL.
- **EXTENSIBLE PLATFORM:** Utilize Klix as a stand-alone product or with Malbek's flagship CLM platform. With a unified approach to contracting, your business can accelerate contracting velocity, improve workflows, and put an end to disjointed contracting.

I can't sing the praises of templates enough. Where we are able to use a template, we are reducing the time to close by 50%.

— Jeanette Milano, Head of Procurement
